Part of **Castlegate James** Australasia

### **GMO & Palm Kernel Free**

J&S Hipro Energy Meal is a high energy/protein/starch product. Only the best ingredients available are used in the make up of Hipro Energy.

#### **BENEFITS:**

##### **Consistency is key**

Same products same blend make up, every time.

##### **Custom Blending an option**

Blend Hipro Energy with PKE, or more energy, starch or protein to supplement on farm feed or a price point you need.

##### **Unique energy/protein source blend**

Starch, sugar, fat and protein content provide a safe feed with a reduced chance of acidosis, without sacrificing live weight gain or milk production.

##### **Sweet palatable taste**

Encourages dry matter intake crucial to increasing milk production and live weight gain.

##### **Tailored design**

J&S Hipro Energy Meal is tailored to compliment grass, hay or good quality silage/balage.

##### **Minerals**

A variety of Mineral brands and products are available and can be added at the rates required. This promotes optimum animal health and will also save you time and money.

#### **FEEDING RATES:**

Please consult with your local J&S Technical Feed Advisor or your nutritional advisor about recommended feed rates. We suggest you ensure proper transition over an extended period and offer access to quality fibre. We also strongly encourage you to ensure fresh water access at all times.

#### **AVAILABILITY:**

J&S Hipro Energy Meal is available on a long term and regular basis for customers wishing to secure an ongoing supply. Clients can choose to purchase Hipro Energy Meal on a spot basis subject to availability or enter a contract ensuring guaranteed supply.

#### **WHY USE JAMES & SON:**

Localised knowledge, progressive manufacturing methodologies and an integrated nationwide delivery network ensure reliable uninterrupted supply of premium quality stockfeed solutions throughout the entire year.

#### **ADDITIONAL NOTES:**

This information should be used as a general guide only. Please ask your J&S Technical Feed advisor about a diet check or consult with your nutritional advisor to determine the appropriate needs for your animals.

This product does not contain restricted animal material. And is safe for lactating animals.
